CC Docket No. 02-33

05/01/2015

Andrew Telephone Company hereby provides notice that it intends to cease offering wireline broadband internet access service on a tariffed basis. Effective July 1, 2015 Andrew Telephone Company will begin offering wireline broadband internet access service on a Title II, common carriage, permissive detariffed basis pursuant to paragraph 94 of the Federal Communications Commission's Wireline Broadband Order.<sup>1</sup> The geographic areas affected are those Andrew Telephone Company exchanges where DSL is technically feasible.

Today, this service is provided to Andrew Telephone Company. The ISP purchases wireline broadband access service for use as a component in their broadband internet service sold to residential and business consumers. End user service provided will not be affected by discontinuance of the tariffed offering by Andrew Telephone Company. As stated in the attached customer notice, Andrew Telephone Company will continue to offer services to existing ISP customers under current rates, terms and conditions until the end of their current term or upon replacement with a Broadband Commercial Agreement. Broadband Commercial Agreements will be made available in a nondiscriminatory manner to any provider desiring to purchase wireline broadband access service for use as a component in its broadband internet service sold to consumers.

Effective July 1, 2015, Andrew Telephone Company will make its wireline broadband internet access service on a permissive detariffed, common carriage basis through posting of rates, terms and conditions available on our company website ([www.lamotte-telco.com](http://www.lamotte-telco.com)) and in printed copy during normal business hours at Andrew Telephone Company business office located at 16 West Benton Street, Andrew, IA 52030.

Re: CC Docket 02-33 - Notice of Permissive Detariffing of Wireline Broadband Internet Access Service by Andrew Telephone Company (Study Area 351097)

Dear Valued Customer:

Our records indicate that Andrew Telephone Company is currently purchasing wholesale broadband transport services from Andrew Telephone Company under NECA Tariff No. 5 ("Tariff"). This letter is to advise you that Andrew Telephone Company study area 351097 will discontinue provisioning service on July 1, 2015 pursuant to the Tariff. Services will be made available to you on a common carrier, non-tariffed basis. The existing relevant rates, terms and conditions will not change until the end of your term or until replaced by a Broadband Commercial Agreement.

The rates, terms and conditions for the Broadband Commercial Agreement will be available in printed copy during normal business hours at Andrew Telephone Company business office located at 16 West Benton Street, Andrew, IA 52030.

The actions described above are taken in accordance with the FCC's Report and Order (FCC 05-150) released September 23, 2005 in Docket No. 02-33. In this order the FCC determined that facilities-based wireline broadband internet service providers could offer their services on a common carrier, permissively detariffed basis.

No action is necessary on your part. However, if you have any questions, please feel free to contact me.

Sincerely,

JoAnne Gregorich  
General Manager
